JUNIOR SOFTWARE TESTER

0415 182 769 • MaksimZinovevSubmit@gmail.com • permanent resident • 1-3 Thomas St, Waitara, NSW 2077

Manual Tester with an exposure to Automation tools. **ISTQB certified**, I have 10 months of manual testing experience (internship) and I'm looking to expand my skills into Test Automation. Assisted Australian startup in web UI testing of SaaS platform. Hands-on experience in **manual testing, web UI test automation (Selenium Web Driver, Python)**. Hardworking and goal-oriented. Having a full-time job and a side project in e-commerce, over the last year I was able to deliver consistent results as an intern, teach myself automation and complete TAFE Certificate IV (new small business).
